# Brākleen®

## Brake Parts Cleaner

The #1 brake parts cleaner among professionals

Beginning in 1971 with industry leading Brākleen®, the original aerosol brake parts cleaner, CRC has earned its reputation as "The Brake Experts"

Brākleen® was the very first product of its kind. For almost 40 years, thousands of professional automotive technicians and DIY'ers have relied on CRC for fast and effective solutions to all brake servicing problems.

CRC has expanded its brake maintenance product offering to meet the needs of today's technicians. Innovative technology, dedication to superior performance, regulatory compliance, and safety have made Brākleen® number one.

### Brākleen® Original Non-Flammable

The original Brakleen, our premium strength formula! Chlorinated formula quickly removes brake dust, brake fluid, grease and other contaminants from all types of brake systems, including ABS. Cleans fast and dries faster.

75089	539 g aerosol	12/case
75090	3.785 L bottle	4/case
75091	19 L pail	1 each
75093	208 L drum	1 each

### Brākleen® Non-Chlorinated Retail Formula ▲

Product formulated to quickly remove brake fluid, grease, oil, and other contaminants from brake linings & pads. Safe for ABS, disc and drum brakes.

75051	397 g aerosol	12/case
-------	---------------	---------

### Brākleen® Premium Non-Chlorinated ▲

The best non-chlorinated product on the market. Powerful formula quickly removes brake fluid, grease, oil, and other contaminants from all brake related parts. Safe for ABS, disc and drum brakes.

75088	397g aerosol	12/case
75086	19 L pail	1 each
75087	208 L drum	1 each

### Brākleen® RD Rapid Dry Premium Non-Chlorinated ▲

The Brake cleaner to use where compliance calls for a chlorine-free product. It is formulated to quickly remove brake fluid, grease, oil, and other contaminants from brake linings and pads. Rapid Dry Formula Cleans Fast, Dries Faster!

75391	19 L pail	1 each
-------	-----------	--------

### Brākleen® Premium Non-Chlorinated With Power Jet™ Technology ▲

The strongest non-chlorinated formula available with Power Jet™ Technology. Spray nozzle produces a burst of product that forcefully breaks away contaminants, while the formula cleans and degreases instantly. Faster work, requiring less product per job. Ergonomically designed Power Jet™ spray nozzle is easier to press, giving the user a quick, precise shot of product where needed.

75050	397g aerosol	12/case
75055	19 L pail	1 each

▲ This product is very flammable. Do not apply while equipment is energized.

# Brake Maintenance

## Bräkleen®

Thoroughly clean brakes BEFORE disassembly. This will allow for proper inspection. Always clean new or turned rotors prior to assembly.

Lubricate all metal-to-metal contact points. Long-lasting synthetic grease will not freeze, melt or wash out, like silicone-based greases.

## Synthetic Brake & Caliper Grease

## Wheel Bearing Grease

Select the appropriate grease based on usage: daily driver, late-model spec, high performance or 4-wheel drive.

To prevent corrosion build-up, lubricate the underside of the rotor hat or the hub facia.

## Synthetic Brake & Caliper Grease

## Bearing Grease

A blue, tacky, NLGI-2 aluminum complex grease. Great for 4WD and boat trailer wheel bearings. Formulated with a polymer to provide adhesive, non-blend and superior water resistance. Will resist water under the most severe water conditions. Minimum drop point of 260°C.

73312 397 g cartridge 10/cs

## De-Squeak™ Brake Conditioning Treatment

Apply on new, freshly turned or existing rotors. De-Squeak™ fills in tiny imperfections that cause noise, and aids in the friction mating/break-in process.

## Wheel Bearing Grease

Clean and repack bearings at every brake job. Do not mix different grease bases.

## De-Squeak™ Brake Conditioning Treatment ▲

Spray on rotors and drums on every brake job to eliminate and prevent brake noise. Metallic-bonding formula fills microscopic imperfections on rotors for quieter, smoother braking. Safe for use on all types of brake systems, including ABS.

75080 319 g aerosol 6/cs

## Sta-Plex™ Extreme Pressure Premium Red Grease

Superior lithium complex NLGI #2 grease. Contains extreme pressure, anti-wear, and anti-oxidation additives. Excellent for high temperature and performance applications. Drop point of 260°C.

73190 397 g cartridge 10/cs

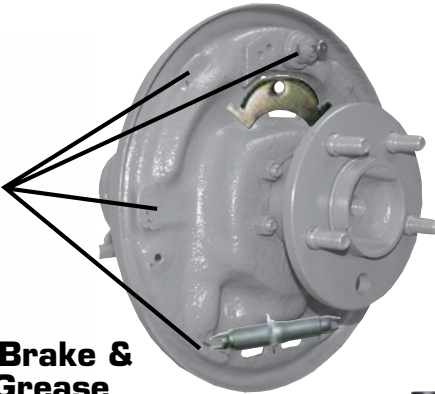

▲ This product is very flammable. Do not apply while equipment is energized.

Clean and lubricate all shoe landings. This will ensure smooth operation of the shoes. Lubricate all parking brake hardware and shoe adjusters to prevent binding & corrosion.

## Synthetic Brake & Caliper Grease

## Synthetic Brake & Caliper Grease

Lubricate backs of all shimmed disc pads. This will prevent corrosion and brake noise.

## Disc Brake Quiet

Use on all non-shimmed disc pads.

## Synthetic Brake & Caliper Grease

Synthetic grease prevents caliper binding, vibration and corrosion. Contains molybdenum, PTFE and graphite for an extreme temperature range of -40°C to 204°C. Use on every brake job!

75353 340 g tub with brush 12/cs  
75359 227 g brush-top bottle 6/cs

## Freeze-Off® Super Penetrant

Super penetrant breaks through corrosion, for easier adjusting and dis-assembly.

## Silaramic® Ceramic Fortified Brake System Grease

A synthetic, dry-film, ceramic lubricant formulated to reduce brake noise and vibrations by dampening all brake vibrating frequencies. Will not run off or wash out. Works in extreme temp ranges from -50 to 3000°F. Protects against uneven pad wear.

75363 255 g tub with brush 12/cs

## Freeze-Off® Super Penetrant

Immediately drops the temperature of the area in direct contact with the spray. The freezing effect cracks rusted surfaces, allowing the lubricating solvent to penetrate faster and work more effectively than the competition. Low VOC formula.

75222 326 g aerosol 12/cs

## Disc Brake Quiet

Forms a water resistant, high-temperature film that instantly absorbs vibrations and quiets disc brake squeaks and squeals. For use on the back of non-shimmed disc pads and brake pad contact points.

75016 118 mL bottle 12/cs  
75017 ▲ 255 g aerosol 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

## Battery Cleaner With Acid Indicator

Yellow foaming cleaner instantly detects acid leaks and turns pink upon acid contact. Neutralizes acid and effectively cleans terminals, connectors, cases and hold downs. Penetrates and removes corrosion allowing for maximum current flow.

75097 312 g aerosol 12/cs

## Technician Grade Di-Electric Grease

Seals, lubricates, protects and insulates electrical contacts, spark plugs, battery terminals and fasteners from moisture and corrosion. Maintains optimum electrical connections in extreme conditions to protect against arcing. Patented delivery system is great for hard-to-reach places.

75106 94 g aerosol 12/cs

## Battery Terminal Protector ▲

Lead-free, long-lasting red film coating. Protects battery terminals, cables and bulkhead connectors from corrosion, a leading cause of hard starting and battery failure.

75046 213 g aerosol 12/cs

## Battery Maintenance Twin Pack ▲

Cleans and protects all battery components. Improves battery performance. Yellow foaming cleaner detects acid leaks and turns pink upon acid contact. Single-use packs have just the right amount of application for single jobs.

75048 284 g aerosol 6/cs

## SensorKleen™ Mass Air Flow Sensor Cleaner ▲

The *original* MAF sensor cleaner. Safely cleans and protects MAF sensors. Dyno proven to increase horsepower and improve air/fuel ratio. Reduces rough idle, hesitation and pinging. Improves fuel mileage. Plastic safe, leaves no residue.

75110 312 g aerosol 12/cs

## Lectra-Motive™ Electric Parts Cleaner

Aggressive cleaner for electric motors, alternators, solenoids, starters, electric tools and machinery. Non-flammable. Dissolves grease, oil, dirt and wax that may cause electrical failure. Evaporates quickly, no residue. Do not use to clean plastic or sensitive electronic components, use QD™ Electronic Cleaner instead.

75018 539 g aerosol 12/cs  
75022 19 L pail 1 each

## QD™ Electronic Cleaner Quick Dry Cleaner ▲

Instantly penetrates hard-to-reach areas to safely dissolve dirt and debris from sensitive electronic components. Cleans contacts, connectors and sensitive electronic equipment. Helps prevent contact failure. Quick drying, plastic safe formula leaves no residue.

75012 128 g aerosol 12/cs  
75102 312 g aerosol 12/cs

## Duster Moisture-Free Dust & Lint Remover

Quickly and safely blasts away dirt, dust, lint and other contaminants from any surface. Ideal for sensitive electronics. Penetrates hard-to-reach cracks and crevices that normal hand-dusting cannot reach. Non-flammable. Safe for use on plastics.

74085 227 g aerosol 12/cs

## RTV Silicone Adhesive/Sealants

CRC Room Temperature Vulcanizing (RTV) Adhesive/Sealants are designed for a wide range of sealing, bonding, protecting and waterproofing applications. Clear and white are for general purpose applications. Red is excellent for applications where a low odor, non-corrosive, high pressure sealant is required.

The red formulation is also suitable for high temperature applications.

- Clear – Forms a barely visible water-tight seal
- White – Designed for high moisture, indoor/outdoor applications
- Red – High temperature low odor, non-corrosive gasket sealant

CRC's revolutionary packaging is a convenient alternative to caulking tubes. Dispenses a uniform bead for consistent results. Pressurized package keeps silicone fresh so it won't dry out. Self-sealing plug.

74055 Clear 205 g pressurized tube 12/cs  
74056 White 205 g pressurized tube 12/cs  
74059 Red 248 g pressurized tube 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

## White Lithium Grease ▲

A high purity, NLGI Grade 2 white lithium grease. Excellent water and heat resistance for use in any weather or temperature. Makes surfaces friction resistant and protects against corrosion. Ideal for metal to metal applications. Will not break down or run out.

14200 284 g aerosol 12/cs

## Power Lube Multi-Purpose Lubricant

All-in-one product quickly cleans, penetrates, lubricates, and protects against corrosion. Stops squeals and loosens rusted parts. Clings to surface to deliver long-lasting lubrication with less mess. Displaces moisture. Low odor.

75005 312 g aerosol 12/cs  
75007 3.785 L bottle 4/cs  
75009 19 L pail 1 each  
05011 208L drum 1 each

## Nickel Anti-Seize & Lubricating Compound

Nickel-based formula that is free of copper, lead, sulfides and chlorides. Extremely high temperature and excellent chemical resistance. Effective up to 1315°C. Brush-top cap.

72911 227 g brush-top bottle 12/cs

## Heavy Duty Silicone Lubricant ▲

Clear, non-staining film lubricates metal, rubber, nylon and wood to eliminate squeaks and binding caused by friction. Water resistant film perfect for applications exposed to the elements.

75074 213 g aerosol 12/cs

## Freeze-Off® Super Penetrant

Immediately drops the temperature of the area in direct contact with the spray. The freezing effect cracks rusted surfaces, allowing the lubricating solvent to penetrate faster and work more effectively than the competition. Low VOC formula.

75222 326 g aerosol 12/cs

## Knock'er Loose™ Penetrating Solvent

Low viscosity lubricant and penetrant designed to quickly loosen and free seized, bound or frozen fasteners. It quickly dissolves rust, scale, gum, grease and corrosion. Lubricates and prevents rust.

73020 369 g aerosol 12/cs

## Screwloose™ Super Penetrant ▲

Super-fast, powerful, concentrated penetrating solvent. Attacks and penetrates tough rust, gum and corrosion on contact to free corroded fasteners and mechanical components.

75330 312 g aerosol 12/cs

## Dry Graphite Lubricant ▲

A dry film lubricant that is ideal for applications where petroleum products must be avoided. Dry Graphite Lube bonds instantly to metal, rubber, plastic and most substrates to form a dirt repelling barrier that lubricates and protects the surface from pressure and friction.

75101 320 g aerosol 12/cs

## Kool Tap™ FOAMY Cutting Fluid

Excellent extreme duty cutting fluid developed for ease of application. Works well on both ferrous and non-ferrous metals. Foaming action penetrates deep into the cut to extend cutting tool life and promote a superior finish.

74410 369 g aerosol 12/cs

## Copper Anti-Seize Aerosol & Lubricating Compound

A general purpose anti-seize lubricant that prevents seizing caused by high temperature, heavy loads, vibrations and corrosion. Copper based, safe for use on ferrous and non-ferrous metals. Electrically conductive - does not insulate or interrupt current flow.

72095 340 g aerosol 12/cs  
72901 227 g bottle 12/cs

## Roll-Up Door Lubricant

Prevents friction and wear. Its unique viscosity allows it to cover more surface area and penetrate deep into the surface of all metal components found on roll-up and overhead doors. Displaces moisture, improves equipment life.

74029 312 g aerosol 12/cs

## Heavy Duty Corrosion Inhibitors

### SP-400™ Corrosion Inhibitor

Long term indoor/outdoor corrosion inhibitor (up to 2 years outdoors). Firm, waxy film is highly resistant to corrosive atmospheres.

73282 ▲ 284 g aerosol 12/cs  
73286 19 L pail 1 each  
03288 208 L drum 1 each

### SP-350™ Corrosion Inhibitor

Superior lubrication and heavy duty corrosion protection for metal parts and assemblies stored indoors (up to two years). Withstands up to 567 kg of pressure in Falex test method.

73262 312 g aerosol 12/cs  
03266 19 L pail 1 each  
03268 208 L drum 1 each

▲ This product is very flammable. Do not apply while equipment is energized.

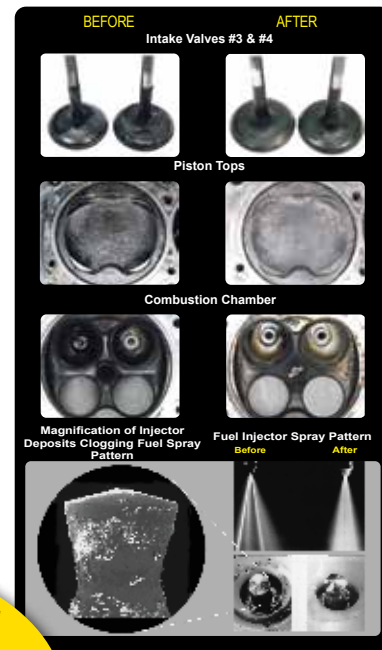

## 1-TANK POWER RENEW®

Treat your engine to 1-TANK POWER RENEW® and get back the power, performance and MPG you've been missing!

Most fuel additives on the market need to be used with every fill up in order to deliver the claims on the bottle. After the first use, CRC 1-TANK POWER RENEW® delivers a powerful SHOCK to your dirty fuel system, resulting in unbeatable one-tank cleanup with proven test results!

ACTUAL PHOTOS TAKEN FROM TESTED VEHICLES

### Gasoline Formula

- 97% Total Power Recovery - PROVEN RESULTS!
  - 100% Misfire Recovery - PROVEN RESULTS!
  - 99% Injector Flow Improvement - PROVEN RESULTS!
  - 5.7% KPL Increase - PROVEN RESULTS!
  - Only needed 4x per year
  - One bottle treats up to 25 gallons of Gasoline
- INTENSIVE Fuel System Cleanup Lasts 6,437 KM's!**

75815 444 mL bottle 6/cs

**POWER THAT LASTS!**  
Clean up lasts months!  
You won't need any other fuel additive again!

### Diesel Formula

- 100% Power Restoration FOR diesel engines - PROVEN RESULTS!
- 99% Injector Flow Improvement - PROVEN RESULTS!
- 100% Deposit Removal - PROVEN RESULTS!
- Cleans INSIDE the injectors and prevents internal diesel injector deposits (IDID).
- Excellent cleanup for the sticky injectors frequently found in modern common rail systems.
- 1 Qt treats up to 125 gal; 16 oz treats 60 gal; 8 oz treats 30 gal.
- Works in diesel and biodiesel blends up to B20.

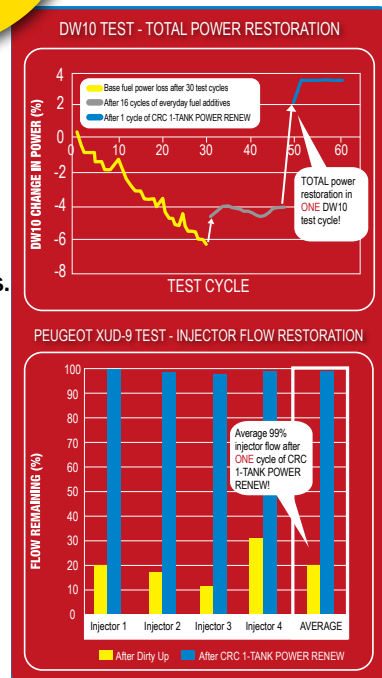

**UNBEATABLE performance in deposit removal!**

75816 Utility 444 mL bottle 6/cs  
75832 HD 946 mL bottle 12/cs

### Why is Complete Fuel System Cleanup Needed?

Fuel quality differs from pump to pump and, over time, contaminants in fuel will cause carbon deposit buildup throughout the fuel system. Carbon deposits harden on intake valves, piston heads, cylinder walls and injectors and lead to decreased MPG, hesitation, stalling, pre-ignition, loss of power and excess exhaust emissions. Today's engines are so finely tuned that even microscopic deposit formations can cause performance issues.

▲ This product is very flammable. Do not apply while equipment is energized.

**1-Tank Power Renew®**  
**Display, 24 Bottles**  
 75888 1 Display

**CRC**  
**Fuel Stabilizer**

Super-concentrated formula keeps fuel fresh up to one year. Stabilizes fuel by inhibiting varnish, peroxide and gum development in gasoline and diesel fuel during storage.

75380 237 mL bottle 12/cs

**CRC**  
**Super Turbo™**  
**Octane Boost**

Increases power and acceleration, cleans fuel injectors, improves fuel economy and reduces knocking. Disperses water. Reduces harmful emissions.

75063 355 mL bottle 12/cs

**CRC**  
**Complete Fuel System**  
**Combustion Chamber**  
**Cleaner**

Provides complete cleaning of fuel system components to restore power, performance, & mpg. Innovative G2P® technology lowers exhaust emissions and cleans up emission control components, 1 bottle (355 mL) treats 76 L of gasoline.

75076 355 mL bottle 12/cs

**CRC**  
**Fuel Injector**  
**& Carburetor Cleaner**

Cleans dirty fuel injectors and carburetors. With regular use, eliminates hard starts, rough idling, dieseling, engine run-on, knocks, pings and excessive emissions. Harmless to catalytic converters and oxygen sensors. One bottle treats 75 L of gasoline.

75061 355 mL bottle 12/cs

**CRC**  
**Universal 2-Cycle Oil**

For hot-running air-cooled 2-cycle engines such as outboard motors, snow-mobles, motorcycles, scooters, chain saws, lawn mowers, weed eaters and other lawn and garden equipment.

75261 444 mL bottle 12/cs  
 75262 946 mL bottle 12/cs

**CRC**  
**Guaranteed To Pass®**  
**Complete Fuel System**  
**Treatment**

Pass your emissions test or double your money back! Removes harmful gums and varnish from carburetor and emission control components. Reduces CO, HC and NOx emissions to guarantee a passing emissions test. Use year-round to super-clean fuel injectors, intake valves and combustion chamber. Increases MPG; promotes easier starts, faster acceleration and better airflow. Works with all ethanol/gasoline fuels. Guarantee in effect for OBD II Testing Systems!

75060-6 355 mL bottle 6/cs

**BEFORE G2P/AFTER G2P**

**Piston / Combustion Chamber:**

# PHASE4 GUARD4®

THE ULTIMATE FUEL STABILIZER  
LE STABILISATEUR ULTIME DE CARBURANT

**STABILIZES • CLEANS • PROTECTS • RESTORES**

## PhaseGuard4® The Ultimate Fuel Stabilizer

Ethanol-blended fuel can lead to excess water in the fuel system; water in the fuel system can lead to severe corrosion, engine damage and unanticipated shut-down. Ethanol is naturally attracted to water and prone to separating from the gasoline and blending with any water molecules in the fuel system. This is called “phase separation”.

Seasonal and stored vehicles and equipment such as classic cars, RVs, boats, ATVs, snowmobiles, and lawn and garden equipment are particularly susceptible to phase separation, and neglecting to treat the fuel prior to storage can result in major problems next season.

PHASEGUARD4® prevents phase separation\* with the 4-in-1 formula that also protects against corrosion, cleans the entire fuel system, stabilizes fuel for long-term storage and restores power and mileage potential.

PHASEGUARD4® protects all gas-powered 2- and 4-cycle engines from the harmful effects of ethanol and is suitable for all gasoline/ ethanol blends up to E85.

30mL treats 38L for in-season protection.

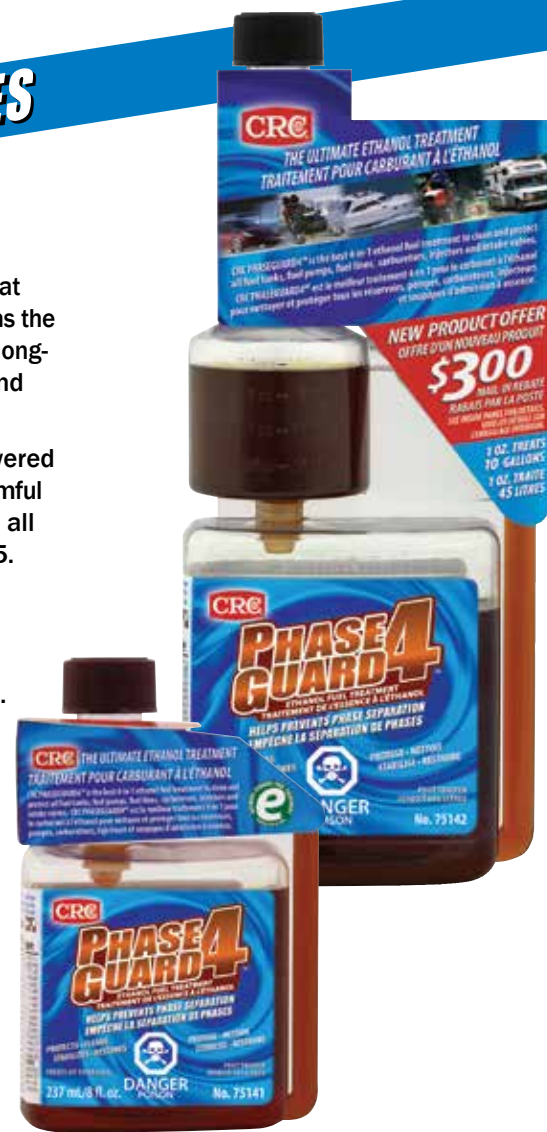

30mL treats 19L for storage.

Stabilizes fuel for up to 24 months.

**75141 237 mL bottle 12/cs**

**75142 474 mL bottle 12/cs**

*\*Laboratory testing proves PHASEGUARD4™ provides better water removal capability (per modified ASTM D 1401) and better corrosion protection (per ASTM D 665) than other ethanol fuel treatments. Once phase separation has occurred, fuel cannot be recombined. May not prevent phase separation under extreme environmental conditions.*

## PhaseGuard4® Stor & Go™

The maximum protection available to prevent harmful phase separation of fuel that can lead to equipment failure. Protects tools and equipment from damage caused by ethanol fuel, cleans fuel system components, stabilizes fuel and restores power. Convenient single use individual packets of 30 mL. 50 packets per box.

**75143 50 x 30 mL bottle**

**4/cs**

▲ This product is very flammable. Do not apply while equipment is energized.

# Fuel System Maintenance

## MAF & Throttle Body Single-Use Performance Twin Pack ▲

The first product specifically developed to clean mass air flow sensors. Designed with advanced Cozol® Technology. Increase horsepower & improves air/fuel ration and MPG. Cleans gum & varnish from the throttle valves & throttle body for easier starting.

75028 270 g aerosol 6/cs

## SensorKleen™ Mass Air Flow Sensor Cleaner ▲

The original MAF sensor cleaner. Safely cleans and protects MAF sensors. Dyno proven to increase horsepower and improve air/fuel ratio. Reduces rough idle, hesitation and ping. Improves fuel mileage. Plastic safe, leaves no residue.

75110 312 g aerosol 12/cs

## Throttle Body Klean™ ▲

Cleans air-intakes, throttle valves, throttle bodies and linkages on fuel-injected gasoline engines (both throttle body and multi-port). Safe for use on coated throttle bodies. Low VOC formula.

75078 340 g aerosol 12/cs

## Valve-Kleen™ Engine Valve & Lifter Cleaner

A concentrated solvent, not a detergent additive. Ideal for use in new, old, or rebuilt engines. Regular use keeps lifters & valves clean by dissolving sludge, gum, & varnish. Prevents new deposit formation. Will not compensate for mechanical defects. For use in Gasoline engine crankcase oil only.

75331 237 mL bottle 12/cs

## TYME™ 1 Carburetor & Cold Parts Cleaner

Two-phase, water-rinsable, cold tank liquid parts cleaner. Quickly removes carbon, varnish, and grease from aluminum and other metals. Non-corrosive, non-flammable.

14101 3.785 L can 4/cs  
14104 19 L pail 1 each  
14061 dip basket 1 each

## 2-Step Professional Installer System Kit

Complete Fuel System Clean-Up in 2 Easy Steps! Fuel Injector Cleaner cleans up coked injector nozzles & removes intake valve deposits. Complete Fuel System & Combustion Chamber Cleaner cleans fuel system components to restore power, performance & mpg.

75124 2 x 355 mL bottle 6/cs

## 3-Step Professional Installer System Kit

Complete Fuel System Clean-Up & Oil Treatment in 3 Easy Steps! Cleans up coked injector nozzles & removes intake valve deposits. Cleans fuel system components to restore power, performance & mpg. Conditions oil delivery system & cleans valves & lifters.

75125 3 x 355 mL bottle 6/cs

▲ This product is very flammable. Do not apply while equipment is energized.

# Cleaners

# Degreasers

**CRC**

### Engine Degreaser ▲

Quickly dissolves and lifts off oil, grease and road grime from engines for cooler, more efficient running. Easy to use: spray on and rinse off. Leaves no residue.

75025 425 g aerosol 12/cs

**CRC**

### Clean-R-Carb® Carburetor Cleaner ▲

Instantly dissolves deposits on ventureries, linkages, butterflies and PCV systems to improve fuel system performance and enhance fuel economy. Harmless to catalytic converters and oxygen sensors.

75081 454 g aerosol 12/cs

**CRC**

### Valve-Kleen™ Engine Valve & Lifter Cleaner

A concentrated solvent, not a detergent additive. Ideal for use in new, old, or rebuilt engines. Regular use keeps lifters & valves clean by dissolving sludge, gum, & varnish. Prevents new deposit formation. Will not compensate for mechanical defects. For use in Gasoline engine crankcase oil only.

75331 237 mL bottle 12/cs

**CRC**

### Gasket Kleen™ ▲

Fast-acting formula. Quickly removes gasket cement, sealers and paint. Eliminates excessive scraping and cleaning.

75021 340 g aerosol 12/cs

**CRC**

### TYME™ 1 Carburetor & Cold Parts Cleaner

Two-phase, water-rinsable, cold tank liquid parts cleaner. Quickly removes carbon, varnish, and grease from aluminum and other metals. Non-corrosive, non-flammable.

14101 3.785 L can 4/cs  
14104 19 L pail 1 each  
14061 dip basket 1 each

**CRC**

### Battery Cleaner With Acid Indicator

Yellow foaming cleaner instantly detects acid leaks and turns pink upon acid contact. Neutralizes acid and effectively cleans terminals, connectors, cases and hold downs. Penetrates and removes corrosion allowing for maximum current flow.

75097 312 g aerosol 12/cs

**CRC**

### QD™ Electronic Cleaner ▲

Instantly penetrates hard-to-reach areas to safely dissolve dirt and debris from sensitive electronic components. Cleans contacts, connectors and sensitive electronic equipment. Helps prevent contact failure. Quick drying, plastic safe formula leaves no residue.

75012 128 g aerosol 12/cs  
75102 312 g aerosol 12/cs

**CRC**

### Lectra-Motive™ Electrical Parts Cleaner

Aggressive cleaner for electric motors, alternators, solenoids, starters, electric tools and machinery. Non-flammable. Dissolves grease, oil, dirt and wax that may cause electrical failure. Evaporates quickly, no residue. Do not use to clean plastic or sensitive electronic components, use QD™ Electronic Cleaner instead.

75018 539 g aerosol 12/cs  
75022 19 L pail 1 each

**CRC**

### Salt Terminator® Engine Flush, Cleaner & Corrosion Inhibitor

Cleans & protects anything exposed to salt (salt-water, salt air, road salt). Dissolves salt & leaves a protective coating to inhibit corrosion. Product 76320 Includes SXM XR mixer; mixer attaches to garden hose.

76320 946 mL bottle with mixer 6/cs  
76128 3.785 L bottle 4/cs

**CRC**

### Salt Terminator® Engine Flush, Cleaner & Corrosion Inhibitor Mixer Unit

Automatically dilutes the Salt Terminator® concentrate and siphons it through a standard garden hose.

SXM XR 1 mixer unit 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

### Mechanix Orange® Citrus Hand Cleaner With Pumice

Formulated with the natural power of citrus. Fine grade pumice quickly cleans away the toughest soils. pH balanced to be gentle on hands. Leaves hands clean and fresh.

74090 473 mL bottle 12/cs  
74091 3.785 L bottle 4/cs

### QC-82™ Pro-Strength Degreaser

Foaming water-based degreaser that quickly and safely removes grease, grime, oil, rubber marks, and other contaminants from all types of hard surfaces. Safe on painted surfaces, plastics, vinyl and rubber.

75482 425 g aerosol 12/cs

### HydroForce® Citrus HD Degreaser

Naturally formulated, biodegradable degreaser with the superb cleaning power of citrus. Leaves no residue.

74440 425 g aerosol 12/cs  
14441 3.785 L bottle 4/cs  
14442 19 L pail 1 each

### Graffiti & Paint Remover Towels

Graffiti & Paint Remover Towels are a unique one step cleaning system combining both a high quality graffiti remover formula and a highly absorbent, abrasive, non-scratching towel.

74304 30 count tub 6/cs

### Graffiti Remover

Effectively removes spray paints, marking inks, crayons, scuff marks, lipstick, lacquers, and varnish. Contains no methylene chloride. Ideal for brick and concrete walls, road signs, trucks, trains, buses, bus stops, seats, desks, lockers, counters, light posts, bathroom partitions, etc.

74194 340 g aerosol 12/cs

### Glass Cleaner

Non-streaking formula. Leaves surfaces sparkling clean and stops glare. Use on glass, mirrors, plastics, acrylics, fiberglass, computer screens, counters, appliances, stainless steel and chrome. Also helps remove labels and stickers from metal and glass surfaces.

14100 510 g aerosol 12/cs

### HydroForce® Glass Cleaner Professional Strength

Versatile enough to use on your most delicate glass surface, but strong enough to quickly cut through the toughest dirt, dust, fingerprint and haze deposits without streaking. Its ammonia-fortified formula contains a foaming agent for greater coverage and less run-off when clearing vertical surfaces. HydroForce® Glass Cleaner is nearly twice as effective at eliminating streaks as other leading brands. Biodegradable, non-abrasive.

74411 948 mL bottle 12/cs

### Stainless Steel Cleaner & Polish

Exclusive ultra shine formula. Eliminates dirt, dust, fingerprints and watermarks. Leaves behind a non-greasy protective barrier to resist return of stains and water spots.

74424 510 g aerosol 12/cs

### HydroForce® Disinfectant Surface Cleaner

Cleans, disinfects and deodorizes in one easy step. The rich, foamy aqueous based formula clings to vertical or inverted surfaces without runs or drips. HYDROFORCE Disinfectant Surface Cleaner contains powerful cleaning agents that instantly lift off and eliminate dirt, dust, grease and grime.

74430 539 g aerosol 12/cs

### Tannery® Leather & Vinyl Cleaner

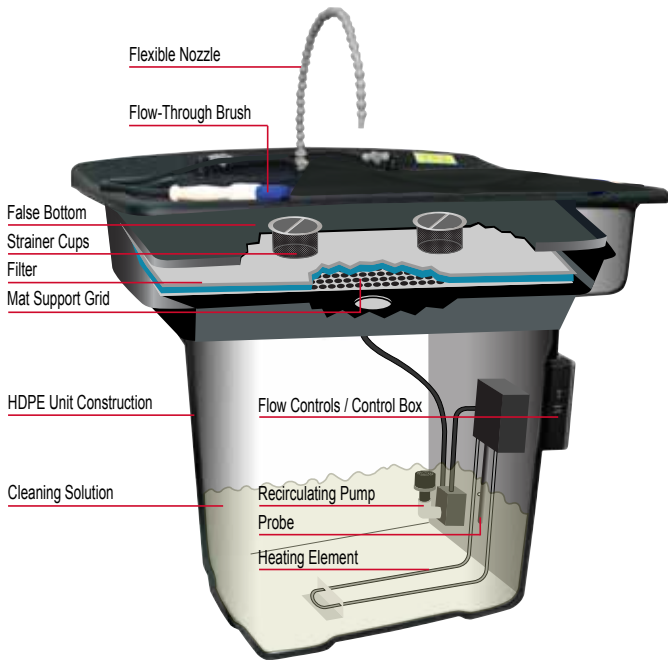

Cleans, conditions, protects and preserves leather, vinyl, rubber, plastic, trim and fiberglass. Helps guard against harmful sunlight and extreme temperature.

74171 283 g aerosol 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

# Cleaning Equipment

## SMARTWASHER® PARTS CLEANING SYSTEM

SmartWasher® is a self-contained, self-cleaning system that is completely safe, non-toxic and generates no hazardous waste - without compromising cleaning ability. SmartWasher® uses the process of bio-remediation - the accelerated break down of organic compounds such as grease, grime, varnish, oil, carbon and other heavy industrial soils through the use of nonpathogenic microbes.

The microbes, suspended in fluid that recirculates through the unit, literally eat their way through soils, converting them into harmless water and Carbon Dioxide. The solution remains clean and reusable. Disposal becomes a non-issue, as hazardous waste streams are eliminated. This non-hazardous process does away with the need for regulatory paperwork.

The SmartWasher® System consists of a sturdy, impact resistant, self-contained washing unit with a flexible nozzle and brush that direct warmed cleaning fluid for parts washing.

The fluid works in conjunction with a special microbe impregnated filter to effectively clean the dirtiest parts. Both units require 95L of SmartWasher® fluid and one filter for start-up.

### SMARTWASHER® 41

Has a large 7.87" H x 41" W x 21" D sink that removes for easy cleaning, and side mounted electronic control panel.

14144

1 unit

### SMARTWASHER® 28

Has a large 7.87" H x 21" W x 17" D sink that removes for easy cleaning, and side mounted electronic control panel.

14145

1 unit

### SMARTWASHER® MOBILE UNIT

Has a large 8" H x 27" W x 23" D sink that removes for easy cleaning, and side mounted electronic control panel. Also has a built in dolly which allows for easy mobility.

14161

1 unit

### SMARTWASHER® CLEANING SOLUTION

Aqueous, pH neutral, non-corrosive, non-flammable, biodegradable and contain no VOCs. Solutions work in conjunction with filters when warmed to 41° C by the units.

#### Automotive & Ink Grade

Removes printers ink and automotive carbon and varnishes.

14156    19 L jug    1 each

#### Specialty Metals

Maximum strength, low odour formula removes soils from both ferrous and non-ferrous metals. Perfect for use on all aircraft metals.

14158    19 L jug    1 each

#### Industrial Grade

Removes the toughest industrial soils with minimal odour

14148    19 L jug    1 each

### SMARTWASHER® PREMIUM GRADE FILTER

Remove dirt and residue particles down to 50 microns. Filter must be used for proper cleaning and operation of SmartWasher® System. Works with all fluids and contains 50% more microbes for maximum bioremediation.

14147

6/cs

▲ This product is very flammable. Do not apply while equipment is energized.

## Nanotechnology: Why It Works Better

Nanotechnology deals with objects or particles that are measured in nanometers which are one billionth the size of a meter. These particles are so small that thousands of them could fit into the width of the period at the end of this sentence.

**DRAMATIZATION:** A microscopic look at a metal's "flat" surface shows that it actually contains peaks and valleys that are invisible to the human eye.

**FIGURE A** portrays a typical head gasket repair product attempting to adhere to the metal surface, but the large particles cannot completely fill the cracks between the peaks and valleys.

**FIGURE B** portrays **K&W® NANOTECHNOLOGY Instant Cooling System Stop Leak** making a stronger, more solid connection with the metal surface and between its own particles.

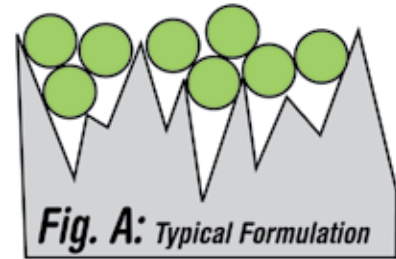

Fig. A: Typical Formulation

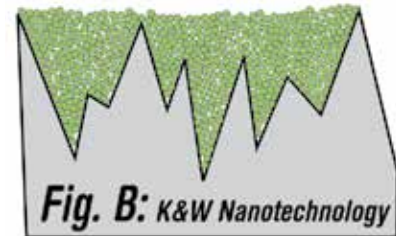

Fig. B: K&W Nanotechnology

### Instant Cooling System Stop Leak w/ Nanotechnology

Instant Pour-n-Go results. Add directly to coolant to seal leaks in cylinder heads, gaskets, blocks and throughout the cooling system. Nanotechnology allows product to fill cracks and voids that other products can't, for a stronger, more solid bond. Compatible with all types of anti-freeze.

75210 325 mL bottle 6/cs

### Permanent Metallic™ Block Seal Head Gasket Repair

Permanently repairs cracked radiators, blocks, heater cores and head gaskets with a molecular seal as strong as steel. Professional grade formula seals coolant leaks without leaving product in your cooling system like competitive brands.

74016 329 mL bottle 6/cs

### FiberLock™ Head Gasket & Block Repair

Permanent pour 'n go head gasket & block repair compatible with all types of antifreeze. Repairs cooling system leaks w/3 unique technologies: military-strength fibers nanotechnology & Cool-X™ Conditioner-the ultimate solution for all coolant leaks.

75224 946 mL bottle 6/cs

### Belt Dressing

Eliminates noise and extends belt life. For use on all types of belts, such as serpentine, flat and v-type belts. Prevents slippage and glazing. Removes oil, grease and glaze. Use every 3,000 miles to prevent drying out and slippage.

75350 213 g aerosol 12/cs

### Trans-X® Slip-Stop & Leak Fix

Quickly eliminates leaks, restores smooth shifting and prevents future leaks in automatic transmissions. Conditions seals.

74015 444 mL bottle 6/cs

### Posi-Trac™ Limited Slip Gear Oil Additive

Maintains smooth operation of the limited-slip unit and reduces friction, wear and overheating while eliminating chatter. Meets GM, Ford and Chrysler specifications.

742508 207 mL tube 6/cs

▲ This product is very flammable. Do not apply while equipment is energized.

# Diesel, Truck & Heavy Duty

## Diesel Fuel Conditioner And Injector Cleaner

Cleans injectors, disperses water, conditions & stabilizes fuel and lubricates fuel system for increased engine life. Increases power and fuel economy and reduces emissions. ULSD Approved. OK for Biodiesel fuels.

75202 888 mL bottle 12/cs  
75203 3.785 L bottle 4/cs

## Diesel Fuel Conditioner With Anti-Gel

Prevents diesel fuel from gelling in cold temperatures. Lowers pour point by as much as 19°C. Cleans injectors and helps restore spray pattern for more efficient combustion. ULSD Approved. OK for Biodiesel fuels.

75212 888 mL bottle 12/cs  
75213 3.785 L bottle 4/cs

## Diesel Fuel Anti-Gel

Prevents fuel from gelling by lowering pour point by as much as 20°C. Disperses water and contains lubricity additives for low sulfur fuels. ULSD Approved OK for Biodiesel fuels.

75221 355 mL bottle 12/cs

Product	SKU	Net Contents	For Preventive Maintenance Treats:	For Pre-Existing Conditions Treats:

Diesel Fuel Anti-Gel	75221	355mL bottle	473 liters	283 liters

## Diesel - 1-Tank Power Renew® HD

A concentrated one-tank cleanup that delivers a powerful SHOCK to your dirty fuel system. Made with the maximum available chemistry it's the most powerful diesel fuel system cleaner on the market. Excellent cleanup for the sticky injectors frequently found in modern common rail systems. 946 mL treats 473 L of fuel.

75832 946 mL bottle 12/cs

## Diesel - 1-Tank Power Renew® Utility

A concentrated one-tank cleanup that delivers a powerful SHOCK to your dirty fuel system. Made with the maximum available chemistry it's the most powerful diesel fuel system cleaner on the market. Excellent cleanup for the sticky injectors frequently found in modern common rail systems. Proven 100% deposit removal and reduces emissions. Cleans INSIDE the injectors and prevents IDID. Only needed 4x per year. One bottle treats up to 113.5 L of fuel.

75816 444 mL bottle 6/cs

## Quick Flow™ Emergency Diesel-Gel Relief

Reliquefies gelled fuel in minutes! Totally disperses water and lowers pour point by as much as 19°C. Prevents future gelling since it contains anti-gel. ULSD Approved. OK for Biodiesel fuels.

75911 888 mL bottle 12/cs

## Bio-Con™ Sludge Sediment Remover

Removes sludge sediment caused by bacteria from diesel fuel and furnace oils and improves fuel stability in storage.

75225 355 mL bottle 12/cs

## Air Brake Anti-Freeze

Provides complete winter protection for all brake systems. Will eliminate and prevent moisture accumulation and icing. For use in all air-brake systems.

75532 946 mL bottle 12/cs  
75528 3.785 L bottle 4/cs

▲ This product is very flammable. Do not apply while equipment is energized.

**CRC**

### Sta-Plex™ Extreme Pressure Premium Red Grease

Superior lithium complex NLGI #2 grease. Contains extreme pressure, anti-wear, and anti-oxidation additives. Excellent for high temperature and performance applications. Drop point of 260 °C.

73190 397 g cartridge 10/cs

**CRC**

### Lithium General Purpose Grease

Designed for light duty applications. Lithium base NLGI-2 grease with drop point of 177 °C. Great for use on motor bearings, pump bearings and light duty applications.

73310 397 g cartridge 10/cs

**CRC**

### Bearing Grease

A blue, tacky, NLGI-2 aluminum complex grease. Great for 4WD and boat trailer wheel bearings. Formulated with a polymer to provide adhesive, non-blend and superior water resistance. Will resist water under the most severe water conditions. Drop point of 260 °C.

73312 397 g cartridge 10/cs

**CRC**

### Moly-Graph™ Extreme Pressure Grease

Molybdenum and graphite establish a fine micron plating on all surfaces. Lithium base NLGI-2 grease with drop point of 177 °C. Great for use on ball joints, chassis points, bushings and roller bearings.

73330 397 g cartridge 10/cs

**CRC**

### Synthetic Brake & Caliper Grease

Synthetic grease prevents caliper binding, vibration and corrosion. Contains molybdenum, PTFE and graphite for an extreme temperature range of -40 °C to 315 °C. Use on every brake job!

75353 340 g tub with brush 12/cs  
75359 227 g brush-top bottle 6/cs

**CRC**

### Silaramic® Ceramic Fortified Brake System Grease

A synthetic, dry-film, ceramic lubricant formulated to reduce brake noise and vibrations by dampening all brake vibrating frequencies. Will not run off or wash out. Works in extreme temperature ranges from -50 to 3000 °F. Protects against uneven pad wear.

75363 255 g tub with brush 12/cs

**CRC**

### Technician Grade Di-Electric Grease

Seals, lubricates, protects and insulates electrical contacts, spark plugs, battery terminals and fasteners from moisture and corrosion. Maintains optimum electrical connections in extreme conditions to protect against arcing. Patented delivery system is great for hard-to-reach places.

75106 94 g aerosol 12/cs

**CRC**

### Compressor Oil SAE 30

Solvent refined and clay filtered for long-lasting, anti-foul operation.

75133 3.785 L bottle 4/cs

**CRC**

### Universal 2-Cycle Oil

For hot-running air-cooled 2-cycle engines such as outboard motors, snowmobiles, motorcycles, scooters, chain saws, lawn mowers, weed eaters and other lawn and garden equipment.

75261 444 mL bottle 12/cs  
75262 946 mL bottle 12/cs

**CRC**

### Cutting Oil ▲

Superior thread cutting lubricant for use on all types of both ferrous and non-ferrous metals, including brass, copper and aluminum.

75500 340 g aerosol 12/cs

**CRC**

### Air Tool Oil

Lubricates and protects pneumatic equipment. Increases torque; assures long tool life. Reduces rust, varnish, sludge and acids.

74095 444 mL bottle 12/cs  
SL2533 3.785 L bottle 4/cs

**CRC**

### Hydraulic & Jack Oil

Protects all parts in hydraulic jacks over a wide temperature range. Prevents foaming, rust, oxidation, corrosion and seal swell.

75553 3.785 L bottle 4/cs

▲ This product is very flammable. Do not apply while equipment is energized.

# Specialty Products

**CRC**

## Jump Start® Starting Fluid With Lubricity ▲

Assures fast, economical starts in extremely cold or humid climates. Upper cylinder lubricant minimizes wear during cold starts. Effective to -53°C. For diesel and gasoline engines. Complies with ULSD fuel requirements.

75671 312 g aerosol 12/cs

**CRC**

## Minute Mend™ Epoxy Putty

(Shipped in ready-to-use counter display.) For patching or repairing wood, metal, concrete, glass, ceramic & fiberglass. Hardens in 20 minutes! Ideal for stopping leaks, can even be used under water.

74070 114 g tube 24/cs

**CRC**

## Minimal Expansion Foam

Polyurethane foam designed to fill, seal, bond, retrofit, insulate and deaden sound in and around cracks and cavities. It forms a permanent, waterproof and airtight bond to masonry, wood, glass, metal and most plastics.

74077 340 g aerosol 12/cs

**CRC**

## Nickel Anti-Seize & Lubricating Compound

Nickel-based formula that is free of copper, lead, sulfides and chlorides. Extremely high temperature and excellent chemical resistance. Effective up to 1315°C. Brush-top cap.

72911 227 g brush-top bottle 12/cs

**CRC**

## Engine Stor™ Fogging Oil ▲

Protects all internal combustion engines during seasonal storage. Clings to internal engine components to keep pistons, rings and cylinder walls corrosion free. Protects electrical connections in use and in storage. Contains no silicon components that can harm oxygen sensors.

75027 369 g aerosol 12/cs

**CRC**

## Zinc Mate™ ▲

Forms a tough, flexible 95% pure zinc coating to fight rust and corrosion. Provides the protection of hot dip galvanize with on-the-job convenience. Leaves a flat gray paintable finish on surfaces.

75054 369 g aerosol 12/cs

**CRC**

## Rust Remover

A safe, effective, fast acting formula. Removes rust, not metal. No sand blasting or heavy wire brushing required. Leaves metal clean and ready to paint, plate or powder coat. Removes rust from tools, engine components, machine parts, fasteners, etc.

74421 3.875 L bottle 4/cs

**CRC**

## Rust Converter

Apply to any rusted metal surface to stop rust in its tracks. Eliminates the need for sanding and scraping. Neutralizes rust and converts it to a tough primer in one easy step. Protective coating helps prevent future rust and may be painted if desired.

74610 425 g aerosol 12/cs

**CRC**

## Graffiti & Paint Remover Towels

Graffiti & Paint Remover Towels are a unique one step cleaning system combining both a high quality graffiti remover formula and a highly absorbent, abrasive, non-scratching towel.

74304 30 count tub 6/cs

**CRC**

## Mechanix Orange® Citrus Hand Cleaner With Pumice

Formulated with the natural power of citrus. Fine grade pumice quickly cleans away the toughest soils. pH balanced to be gentle on hands. Leaves hands clean and fresh.

74090 473 mL bottle 12/cs  
74091 3.785 L bottle 4/cs

**CRC**

## Graffiti Remover

Effectively removes spray paints, marking inks, crayons, scuff marks, lipstick, lacquers, and varnish. Contains no methylene chloride. Ideal for brick and concrete walls, road signs, trucks, trains, buses, bus stops, seats, desks, lockers, counters, light posts, bathroom partitions, etc.

74194 340 g aerosol 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

**CRC**

### Rubberized Undercoating ▲

Provides a bubble-free, flexible shield against moisture, salt and road debris. Deadens outside road noise and will not crack or peel. Low VOC formula.

75034 450 g aerosol 12/cs

**CRC**

### Magic Oil™ Lock Lube & De-Icer

Long-lasting graphite formula lubricates and de-ices seized and frozen locks, allowing for smooth operation. Shake well then spray lightly in the keyhole of the lock.

75130 11 g aerosol 96/cs

**CRC**

### Ice-Off™ Windshield Spray De-Icer ▲

Melts ice, snow and frost from windshields on contact. Thaws frozen locks and is effective to sub-zero temperatures. Harmless to car finish.

75346 340 g aerosol 12/cs

**CRC**

### Leak Detector

Formulated for the quick and easy site detection of gas leaks and air leaks. The water-based formula contains no oils, silicones or harmful solvents. Non-flammable. Evaporates like water.

74503 567 g aerosol 12/cs

**CRC**

### Smoke Test® Smoke Detector Tester ▲

Convenient, easy and safe product to test the functional ability of a smoke detector. Checks for obstructions or debris, which clog detector vents and prevent smoke from properly entering the sensing chamber. Aerosol spray reaches up to 1.8 meters, allowing testing to be done while standing safely on the floor.

72105 71 g aerosol 12/cs

**CRC**

### Bug Blast™ Wasp & Hornet Killer

Fast-acting, high strength insecticide that knocks down and kills wasps, hornets, fire ants, black widow spiders and scorpions on contact. Contains no chlorinated solvents and is safe to use on all plastics. Dense, accurate spray reaches over 6 meters. High dielectric strength of over 40,000 volts.

72010 397 g aerosol 12/cs

**CRC**

### Poly Tank Sprayer

Designed for professional use. Holds one gallon. High density polyethylene. Equipped with a 1 meter reinforced multi-layer PVC braided hose and adjustable nozzle.

MK1991 1 unit  
MK1991A (Complete Pump Assembly)  
MK1991C (Shut Off Assembly)

**CRC**

### Empty Trigger Bottle

New 710 mL design improves stability while Level III fluorination provides maximum durability. Features blank lines and charts for product and safety information.

14021 710 mL capacity 12/cs

**CRC**

### Sure Shot® Reusable Sprayer

All-metal, 947 mL, reusable air-pressurized sprayer. For use with most bulk lubricants, solvents and corrosion inhibitors. Tested to 200psi.

14016 1 unit  
Sure Shot® is a registered trademark of Milwaukee Sprayer Mfg Co.

▲ This product is very flammable. Do not apply while equipment is energized.

# Marine Lubricants

# Marine Corrosion Protectants

## Salt Terminator® Engine Flush, Cleaner & Corrosion Inhibitor

Cleans & protects anything exposed to salt (saltwater, salt air, road salt). Dissolves salt & leaves a protective coating to inhibit corrosion. Essential as a motor flush for marine engines in both saltwater and freshwater environments. Product 76320 includes SXM XR mixer; mixer attaches to garden hose.

76320 946 mL bottle with mixer 6/cs  
76128 3.785 L bottle 4/cs

## Salt Terminator® Engine Flush, Cleaner & Corrosion Inhibitor Mixer Unit

Automatically dilutes the Salt Terminator® concentrate and siphons it through a standard garden hose. Connect the hose to the marine engine's flushing unit and add extra years of service to outboards, I/O's, jet boars, and personal watercraft.

SXM XR 1 mixer unit 12/cs

## Heavy Duty Corrosion Inhibitor ▲

Seals out salt air and moisture to prevent corrosion. Will not crack or craze. Flexible amber coating provides long-term protection for metal components, electrical connections, engine components, fasteners, steering and throttle linkages. Contains no silicon components that can harm oxygen sensors.

76026 284 g aerosol 12/cs

## Engine Stor™ Fogging Oil

Protects marine engines and all internal combustion engines during seasonal storage. Clings to internal engine components to keep pistons, rings and cylinder walls corrosion free. Protects electrical connections in use and in storage. Contains no silicon components that can harm oxygen sensors.

76068 369 g aerosol 12/cs  
76069 3.785 L bottle 4/cs  
76070 19 L pail 1 each

## Rust Converter

Apply to any rusted metal surface to stop rust in its tracks. Eliminates the need for sanding and scraping. Neutralizes rust and converts it to a tough primer in one easy step. Protective coating helps prevent future rust and may be painted if desired.

74610 425 g aerosol 12/cs

## White Lithium Grease ▲

NLGI Grade 2 grease with superior durability and water and heat resistance. Excellent metal-to-metal lubricant. Will not wash off, melt or freeze. Ideal for steering parts, cables, hinges, riggings, tracks, winch gears, windows, reels, bearings and trailer balls.

14200 284 g aerosol 12/cs

## 6-56™ Marine Multi-Purpose Lubricant

Clear, thin film lubricates and protects against wear and saltwater corrosion. Drives out moisture to help start wet engines. Loosens rusted parts. Contains no silicon components that can harm oxygen sensors.

76007 312 g aerosol 12/cs

## Heavy Duty Silicone Lubricant ▲

Clean, odorless, non-staining film. Highly water resistant. Fights corrosion. Lubricates wood, nylon, rubber, metals, canvas and leather. Eliminates squeaking and binding. Lubricates from -40 °C to 204 °C.

75074 213 g aerosol 12/cs

## Freeze-Off® Super Penetrant

Immediately drops the temperature of the area in direct contact with the spray. The freezing effect cracks rusted surfaces, allowing the lubricating solvent to penetrate faster and work more effectively than the competition. Low VOC formula.

75222 326 g aerosol 12/cs

▲ This product is very flammable. Do not apply while equipment is energized.

## PhaseGuard4® The Ultimate Fuel Stabilizer

Protects all gas-powered 2- and 4-cycle engines from the harmful effects of ethanol. Helps prevent phase separation, protects against corrosion, cleans entire fuel system, stabilizes fuel and restores power. Equally effective in E10 to E85 fuel. 30mL treats 38L for in-season protection. 30mL treats 19L for storage. Stabilizes fuel for up to 24 months.

75141 237 mL bottle 12/cs  
75142 474 mL bottle 12/cs

## PhaseGuard4® Stor N Go™

The maximum protection available to prevent harmful phase separation of fuel that can lead to equipment failure. Protects tools and equipment from damage caused by ethanol fuel, cleans fuel system components, stabilizes fuel and restores power. Convenient single use individual packets of 30 mL. 50 packets per box.

75143 50 x 30 mL bottle 4/cs

## Fuel Stabilizer – Gasoline

Keeps fuel fresh during seasonal storage and provides optimum performance year round. Protects against corrosion and helps reduce the impact of Ethanol-blended gasoline. 30mL treats 19L.

76062 237 mL bottle 12/cs

## Super Turbo™ Octane Boost

Increases octane rating of gasoline for maximum horsepower and torque. Protects rings, pistons and combustion chamber from low octane. Reduces or eliminates engine knock and ping. Improves starting. One bottle treats up to 75L of fuel. Contains no lead or alcohol.

75063 355 mL bottle 12/cs

## Stor-X™ Commercial Grade Fuel Stabilizer

Provides enhanced performance for professional users. Prevents gum, varnish and corrosion build-up in stored fuel. Keeps fuel fresh over storage season. For 2- and 4-stroke engines.

76063 237 mL bottle 12/cs  
76163 888 mL bottle 12/cs  
76164 3.785 L bottle 4/cs

## Universal 2-Cycle Oil

For hot-running air-cooled 2-cycle engines such as outboard motors, snowmobiles, motorcycles, scooters, chain saws, lawn mowers, weed eaters and other lawn and garden equipment.

75261 444 mL bottle 12/cs  
75262 946 mL bottle 12/cs

## Compressor Oil SAE 30

Solvent refined and clay filtered for long-lasting, anti-foul operation.

75133 3.785 L bottle 4/cs

## Bio-Con™ Sludge Sediment Remover

Removes sludge sediment caused by bacteria from diesel fuel and furnace oils and improves fuel stability in storage.

75225 355 mL bottle 12/cs

## Fuel Injector & Carburetor Cleaner

Cleans dirty fuel injectors and carburetors. With regular use, eliminates hard starts, rough idling, dieseling, engine run-on, knocks, pings and excessive emissions.

75061 355 mL bottle 12/cs

## Technician Grade Di-Electric Grease

Seals, lubricates, protects and insulates electrical contacts, spark plugs, battery terminals and fasteners from moisture and corrosion. Maintains optimum electrical connections in extreme conditions to protect against arcing. Patented delivery system is great for hard-to-reach places.

75106 94 g aerosol 12/cs

## Battery Cleaner With Acid Indicator

Yellow foam turns pink to instantly identify acid leaks. Removes corrosion from cables, terminals, cases, and hold-downs. Neutralizes acid spills. Assures maximum battery current flow and promotes longer life.

75097 312 g aerosol 12/cs

## Battery Terminal Protector ▲

Prolongs battery life. Lead-free protective coating prevents battery terminal corrosion, a leading cause of hard starting and battery failure. Improves electrical contact. Use to protect hold-downs, bolts, brackets and terminals.

75046 213 g aerosol 12/cs

## Battery Maintenance Twin Pack ▲

Cleans and protects all battery components. Improves battery performance. Single-use packs have just the right amount of application for single jobs.

75048 284 g aerosol 6/cs

▲ This product is very flammable. Do not apply while equipment is energized.

# Marine Cleaners & Degreasers

# Specialty Products

## Fuel Injector & Carburetor Cleaner

Cleans dirty fuel injectors and carburetors. With regular use, eliminates hard starts, rough idling, dieseling, engine run-on, knocks, pings and excessive emissions.

75061 355 mL bottle 12/cs

## Clean-R-Carb® Carb & Choke Cleaner ▲

Penetrates fast to remove sludge, gum, carbon and varnish deposits. Maximizes performance. Cleans carburetors, automatic chokes, heat risers, and PCV valves. Low VOC formula. Oxygen sensor safe.

76064 340 g aerosol 12/cs

## Cleaner & Degreaser

Cleans and degreases marine engines and non-sensitive electrical parts and equipment in place. Breaks through tough grease on motors, gears, chains and other metal parts. Leaves no residue; non-flammable.

76019 539 g aerosol 12/cs

## QD™ Electronic Cleaner ▲

Cleans sensitive electronic components and contacts. Use on electronic engine controls, data sensors and wiring, GPS, fishfinders, computers, VCRs, stereos, CD and DVD players. Helps prevent contact failure or malfunction. Evaporates quickly, leaves no residue.

76102 312 g aerosol 12/cs

## Bearing Grease

A blue, tacky, NLGI-2 aluminum complex grease. Great for 4WD and boat trailer wheel bearings. Formulated with a polymer to provide adhesive, non-blend and superior water resistance. Will resist water under the most severe water conditions. Drop point of 260°C.

73312 397 g cartridge 10/cs

## Hydraulic & Jack Oil

Protects all parts in hydraulic jacks over a wide temperature range. Prevents foaming, rust, oxidation, corrosion and seal swell.

75553 3.785 L bottle 4/cs

## Minute Mend™ Epoxy Putty

(Shipped in ready-to-use counter display.) For patching or repairing wood, metal, concrete, glass, ceramic & fiberglass. Hardens in 20 minutes! Ideal for stopping leaks, can even be used under water.

74070 114 g tube 24/cs

## Tannery® Leather & Vinyl Cleaner

Cleans, conditions, protects and preserves leather, vinyl, rubber, plastic, trim and fiberglass. Helps guard against harmful sunlight and extreme temperature.

74171 283 g aerosol 12/cs

## Bug Blast™ Wasp & Hornet Killer

Fast-acting, high strength insecticide that knocks down and kills wasps, hornets, fire ants, black widow spiders and scorpions on contact. Contains no chlorinated solvents and is safe to use on all plastics. Dense, accurate spray reaches over 6 meters. High dielectric strength of over 40,000 volts.

72010 397 g aerosol 12/cs

## Mechanix Orange® Citrus Hand Cleaner With Pumice

Formulated with the natural power of citrus. Fine grade pumice quickly cleans away the toughest soils. pH balanced to be gentle on hands. Leaves hands clean and fresh.

74090 473 mL bottle 12/cs  
74091 3.785 L bottle 4/cs

## Poly Tank Sprayer

Designed for professional use. Holds one gallon. High density polyethylene. Equipped with a 1 meter reinforced multi-layer PVC braided hose and adjustable nozzle.

MK1991 1 unit  
MK1991A (Complete Pump Assembly)  
MK1991C (Shut Off Assembly)

▲ This product is very flammable. Do not apply while equipment is energized.

**CRC**

## On & Off Hull & Bottom Cleaner

The #1 hull cleaner and strongest formula available. Works instantly to remove the toughest waterline stains, algae and barnacle stains, rust and gas exhaust stains. Use on fiberglass only. Will not harm gel coat. Can be used in conjunction with Poly Tank Sprayer MK1991. See page 18.

76203	946 mL bottle	12/cs
76204	3.785 L bottle	4/cs
76205	19 L pail	1 each
76206	208 L drum	1 each

**CRC**

## On & Off Gel Hull & Bottom Cleaner

Unique viscous formula clings to the surface to remove stubborn scum lines and rust stains. Bold, blue color makes it easy to see where the product has been applied. Brush or roll onto fiberglass surface and rinse off. Pleasant scent.

76532	946 mL bottle	12/cs
76533	3.785 L bottle	4/cs

**CRC**

## Aluminex™ Clean & Shine Aluminum Cleaner & Brightener

Dual-action formula specially designed to instantly clean and brighten aluminum hulls with Safe Acid Technology™. Best results on surfaces with light to medium oxidation. Safe on anodized and painted aluminum.

76332	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Cleaning Detail™ Non-Skid Deck Cleaner

Cleans and brightens fiberglass, stainless steel, chrome, brass and aluminum. Removes dirt, grease, grime and chalking. Easy to use on most surfaces above the waterline. Great for non-skid decks, shower stalls and tubs.

76213	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Super Suds™ Boat Soap

Highly concentrated synthetic detergent. Non-streaking. Leaves no residue. Cleans away dirt and grime, leaving surfaces sparkling clean. Makes up to 64 buckets of wash. Will not strip wax. Biodegradable.

76223	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Spray Away™ All Purpose Cleaner

Cleans grease, grime, oil, rain stains, fish blood and more. Great on virtually any surface. Heavy duty formula is four times stronger than most spray cleaning products. Non-flammable. Biodegradable.

76283	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Mildew Stain Remover

Quickly removes even the toughest mildew and mold stains. Fine mist spray won't run, even on vertical surfaces. No scrubbing necessary. Just spray on, wipe off. Use on any vinyl or hard surface. Safe on boat covers and marine fabrics.

76373	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Instant Black Streak Remover

Quick, easy and effective. Instantly removes black streaks caused by water run-off on fiberglass, metal and painted surfaces. No scrubbing necessary. Spray on/wipe off. Commercial grade. Biodegradable.

76673	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Roll Away™ Boat Wash

Water activated to clean and leave a shine on fiberglass hulls and decks. Extra strong formula works great on vinyl, formica, metal hardware, fenders, canvas and sails. Contains no phosphates. Biodegradable.

76653	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Inflatable Boat Cleaner

Effectively cleans PVC, Vinyl, Hypalon, EVA, Nylon, Plastic, Neoprene and Polyurethane materials. Helps prevent corrosion of metal hardware. Won't fade covers. Great for cleaning skis and wakeboards. Biodegradable.

76832	946 mL bottle	12/cs
-------	---------------	-------

**CRC**

## Glass Cleaner

Cleans and details glass, mirrors, plastic, acrylic and more without leaving a film or streaks. Contains no harsh abrasives. Excellent for marine, auto, home and industrial use. Also helps remove labels and stickers from metal and glass surfaces. Biodegradable.

76100	510 g aerosol	12/cs
-------	---------------	-------

**CRC**

## Stainless Steel Cleaner & Polish

Exclusive ultra shine formula. Eliminates dirt, dust, fingerprints and watermarks. Leaves behind a non-greasy protective barrier to resist return of stains and water spots.

74424	510 g aerosol	12/cs
